

OBSTETRIC AND GYNECOLOGY

OBSTETRIC

- Female Pelvis and Fetal Skull L
- Lie, Presentation, Position, engagement L
- Mechanism of labor L
- Stages & management of labor L
- Intrapartum Fetal evaluation L
- Malposition & Malpresentation L
- Prolonged and obstructed labour L
- Preterm birth & PROM L
- Miscarriage L
- Ectopic pregnancy L
- Antepartum Hemorrhage L
- Antepartum Fetal evaluation L
- Hypertensive disorders in Pregnancy L
- Maternal Physiology in Pregnancy, fetal circulation S
- Intrauterine growth restrictions L
- Maternal and neonatal Birth injuries (including episiotomy), Neonatal resuscitation S
- Multiple pregnancy L
- Anemia in Pregnancy L
- Instrumental delivery S
- Renal disorders in Pregnancy L
- Perinatal diagnosis for fetal congenital anomalies L
- Trophoblastic diseases L
- Management of Stillbirth S
- Neurological disorders in Pregnancy S
- Diabetes in Pregnancy L
- Preconception, Prenatal care, and intrapartum care S
- Breech and twins delivery S

GYNECOLOGY

- Anatomy of female reproductive system L
- Physiology of menstrual cycle L
- Benign lesions of the uterus & cervix L
- Benign lesions of the ovary L
- Benign lesions of the vulva and vagina S
- Malignant disease of the ovary L
- Amenorrhea (Primary & secondary) L
- Lower genital infections and STDs L
- Adenomyosis & Endometriosis L
- Puberty and its complications S
- Malignant diseases of the uterus L
- PCOS L
- Role of laparoscopic surgery in gynecology L
- Infertility and assisted reproductive technology, L
- Intra-epithelial neoplasia of the cervix L
- Malignant diseases of the cervix L
- Genital Prolapse L
- Menopause L
- Family Planning L
- Urinary problems in gynecology L
- Pelvic inflammatory disease L
- Dysmenorrhea, dyspareunia & vulvar itching S
- Malignant lesion of vulva and vagina S
- Hirsutism and intersexes S
- Hyperprolactinemia L

OBSTETRIC AND GYNECOLOGY

OBSTETRIC

- Cesarean delivery **S**
- Hepatic disorders in Pregnancy **S**
- Pulmonary and thyroid disorders in Pregnancy **S**
- Rh isoimmunization **L**
- Postpartum hemorrhage **L**
- Post term and induction of labor **L**
- Abnormal Uterine bleeding **L**
- Bleeding and coagulation disorders in pregnancy **L**
- Maternal and Perinatal mortality **L**
- Vomiting in pregnancy **S**
- VBAC **S**
- Abdominal Pain in pregnancy **S**
- Aberrant liquor **S**
- Post Partum care **S**
- Obstetric analgesia and anaesthesia **S**
- Drug and vaccines in pregnancy and lactation **S**
- Cardiac disease in pregnancy **S**
- Obstetric shock **S**
- Partogram **L**
